## ESTABLISHING SERVICE AND THE GROUP RATE

Beginning 12/1/2016, Waste Management will offer our curbside trash, recycling and yard waste services to Haydens Walk at the group rate of **\$13.00/month per home with NO ADDITIONAL SURCHARGES, totaling just \$39.00 per quarter!** This rate will be firm for 12 months with only a 5% price increase in years two and three- that's only .65 cents and .68 cents respectively!

**New WM customers** can take advantage of the new rate **NOW!** Please call **(404) 794-6707** and reference you live in **Haydens Walk** to establish service at the group rate.

**Existing WM customers** will automatically be reduced to the new lower rate. If you have already received your invoice, please pay the amount due on the bill. Rate adjustments and applicable credits will be reflected on your upcoming invoice, so it will not be necessary to call.
